

**Appendix A**

**2023 USAFA Major Events Application**

**1. What event would you like to host?**

2023 NA Finn Masters

---

---

---

**2. Please enter hosting Yacht Club Name and website link**

Buccaneer Yacht Club - Mobile, AL

www.bucyc.com

---

---

**3. What time of the year do you have the windiest and most stable wind conditions?**

**Provide three timeframes/windows: the best/good/moderate conditions.**

Proposed dates are March 30 - April 2, 2023

Only a single date is proposed as this was the class requested date following the Gold Cup in Miami, FL and prior to the NAs in Newport, CA. Winds are ideal this time of year with a predictable 12-15 knot seabreeze.

**4. Why do you think your club would be the best to host the selected championship?**

BucYC has held many Finn events including NAs, Nationals, and NA Finn Masters successfully. There is significant housing available from club members and the venue is perfect. A short sail from the launching area (15 mins) and the sailing is phenomenal with waves and a steady and predictable seabreeze. The social aspect with local food and entertainment is always spectacular. The location provides great sailing and the club is a proven fantastic host.

**5. Contact info (name, phone number, E-mail)**

Terry Greenfield, (321) 213-2170 - dtgreenfield@gmail.com

---

---

**6. Preferred contact method**

Either - phone for casual contact and email for communication requiring a record or specific and detailed requests.

**7. Questions and comments**

The BucYC has already approved the dates and support. BucYC is ready to host and there is ample dry storage for the boats after the Gold Cup.
